

20FT & 40FT CONTAINERS

At DC-Supply, we can deliver both new and used containers, respectively 20 and 40ft ISO with CSC approval.

The containers are well designed and built to withstand many years of use. They are typically used for additional storage capacity or on construction sites. They are easy to handle and convenient to use when transportation of goods is needed. They are highly suitable for international transport, such as roads and maritime freight, where security and flexibility are important aspects. The containers can be delivered with your logo and in particular colors for large orders.

Our 20ft containers come in a variety of colors and we have the following colors in stock:

- **blue** (RAL 5003)
- **black** (RAL 9005)
- **anthracite** (RAL 7016)
- **white** RAL 9010
- **green** (RAL6005)
- **red** (RAL 3001)
